

2020 CAFA DISTINGUISHED ACADEMIC AWARDS

CAFA is a federation of Academic Staff Associations in Alberta. The five member associations are: The Association of Academic Staff University of Alberta, Athabasca University Faculty Association, Grant MacEwan University Faculty Association, Mount Royal Faculty Association and the University of Lethbridge Faculty Association. The objectives of the Confederation are to promote the quality of education in the province and to promote the well-being of Alberta universities and their academic staff.

CAFA is inviting nominations for the Fourteenth annual CAFA Distinguished Academic Awards. The 2019 Awards received considerable public attention, and we are hoping to build on this success.

CAFA is now offering three Awards:

2020 CAFA Distinguished Academic Award

Recognizing an academic staff member, or group of staff members, who through their research and/or other scholarly, creative or professional activities have made an outstanding contribution to the wider community beyond the university.

2020 CAFA Distinguished Academic Early Career Award

Recognizing an academic staff member at an early stage of his or her career, who through his or her research and/or other scholarly, creative or professional activity has made an outstanding contribution to the wider community beyond the university.

NEW Award

2020 CAFA Distinguished Teaching Award

This will be the inaugural year for this award. The purpose of the Award is to recognize an academic staff member who excels in teaching and goes above and beyond in their role as a teacher.

Each Award recipient will receive a cheque for \$2,000 and an original piece of artwork.

Eligibility

Nominees must be current members of one of the academic staff associations within CAFA - the AASUA, AUFA, GMUFA, MRFA and ULFA. For a group nomination, a majority of group members, including the primary researcher or group leader, must be current members of one of the CAFA academic staff associations.

Nominees for the CAFA Distinguished Academic Early Career Award must be no more than eight (8) years beyond the completion of a doctoral degree or equivalent qualification.

Eligible Contributions

Any type or form of research and/or other scholarly, creative or professional activity, which makes a contribution to the community beyond the university, is eligible for consideration by the Selection Committee. This is especially the case for the CAFA Distinguished Academic Early Career and the CAFA Distinguished Academic Award but will be a lesser consideration for the CAFA Distinguished Teaching Award.

For the CAFA Distinguished Teaching Award, the focus will be on pedagogical accomplishments: inside and outside the classroom. These pedagogical accomplishments will be the main consideration for the CAFA Distinguished Teaching Award but teaching achievements will also be taken into lesser consideration for the two Distinguished Academic Awards as well.

In making its decision, the Selection Committee, at its discretion, may also take into account such factors as a nominee's service record, as well as other aspects of his or her professional life (for all three awards).

Award recipients must be willing and able to attend the annual CAFA Distinguished Academic Awards dinner and to make a brief presentation on their research and/or other scholarly, creative or professional activity and its contribution to the wider community. The Teaching Award recipient will also present on their teaching accomplishments and pedagogical methods. Some contact with the media may also be required.

The 2020 CAFA Awards Dinner will take place in Edmonton on Thursday, September 10, 2020.
